CORPORATE PRESENTATION

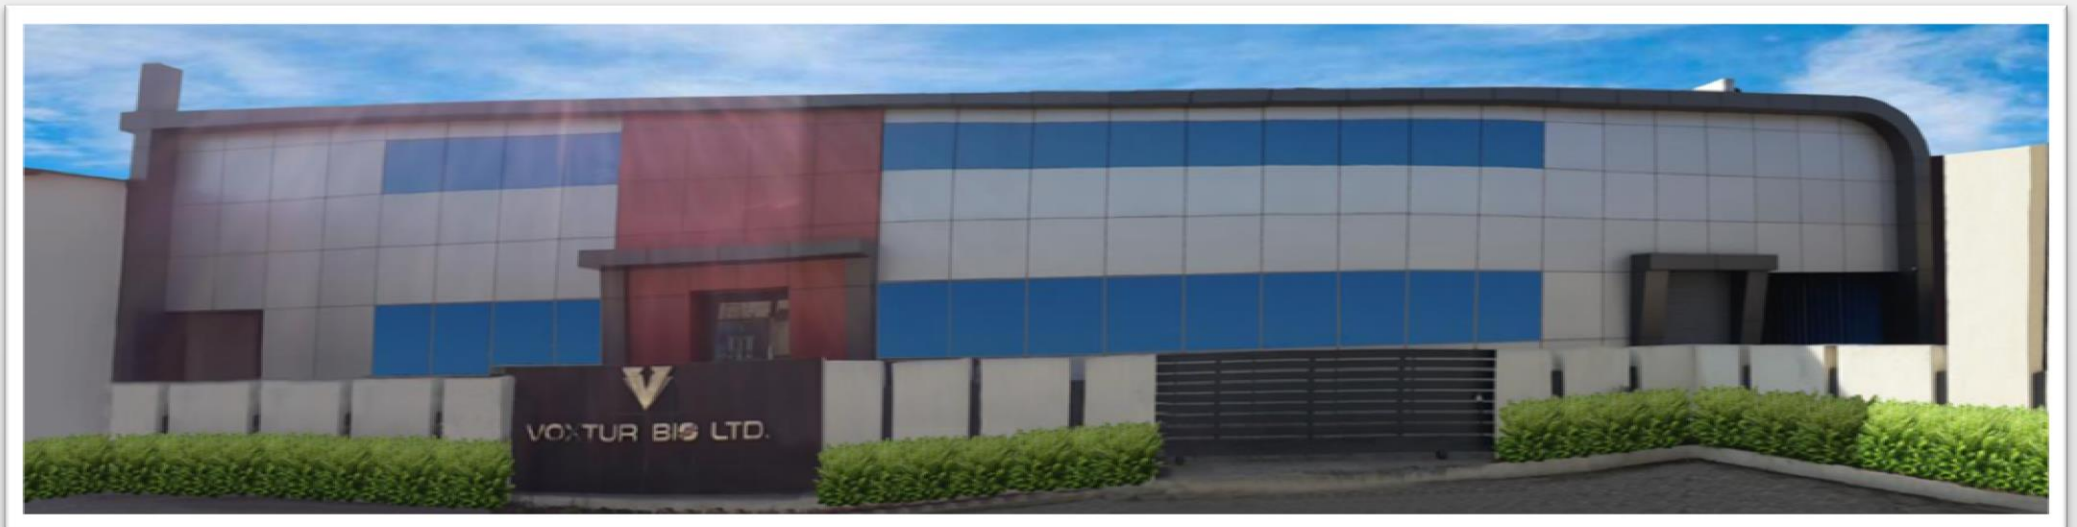

VOXTUR BIO LTD.®
Synchronized Assay Solutions Par Excellence

Corporate Overview

Voxtur Bio Ltd. is a FDA licensed, GMP, ISO 9001:2015 & ISO 13485:2016 accredited company possessing 40,000 sqft. of world class manufacturing facility having clean room with class 10,000 & class 1,00,000 maintained & certified.

We manufacture clinical laboratory diagnostic testing reagents & instruments. Endeavored emphasis on DSIR approved in house R&D had led Voxtur Bio in developing the most advanced & sophisticated technologies, for delivering high quality diagnostic testing solutions.

VOXTUR BIO LTD.®
Synchronized Assay Solutions Par Excellence

Forebearer

Dr Veeraal Gandhi, CMD

Visionary and founder of Voxtur Bio Ltd., Chair positions in couple of Indian companies, 22 years of global business experience.

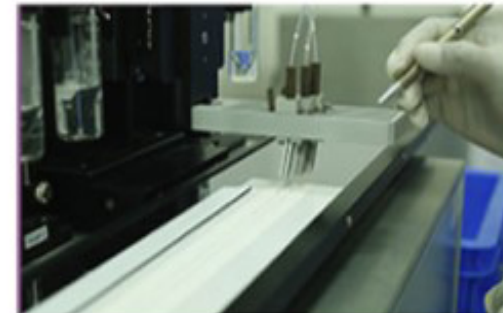

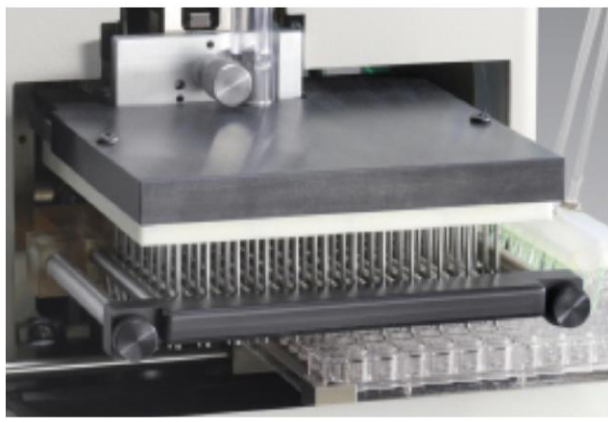

VOXTUR BIO LTD.

Synchronized Assay Solutions Par Excellence

Overview

- Automated Ag/Ab Coating machines
- Automated strip cutting machines
- Electromagnetic pass-boxes
- Laminar air flow benches
- Air handling units & FDV's
- Sterile & Culture Rooms
- Electronic microscopes
- High speed centrifuges
- Water polishing units
- Air locks
- Incubators
- UV chambers
- Deep Freezers
- Bio-fermenters
- Twin RO system
- Autoclave Ovens
- Walk in cold rooms
- Dehumidified Rooms
- Automated filling lines
- Automated labeling machines
- Automated packing & shrink wrapping
- Advanced DSIR approved R& D facilities
- Dedication towards technical excellence
- Customer centric product development
- Large base of satisfied global customers

Vision & Mission

Spread across the globe, with most innovative, affordable & quality testing solutions in the service of human kind.

Accelerating your testing passion to perfection, by providing innovative, dependable and affordable diagnostic tools, which are more user-friendly, simple and fast.

Our guiding principles

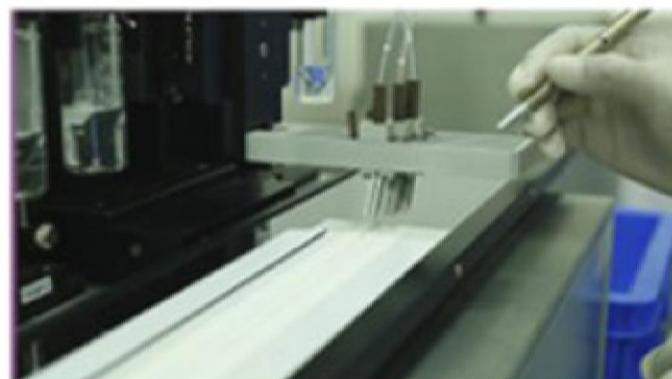

- Consistent Innovation and upgradation in production process and products
- Fully-integrated automation with zero tolerance
- Advance R&D facilities
- Complying with all quality certifications
- Customer-centric product development approach and sales support
- Best in Sensitivity & Specificity of all test kits
- Integrated transparency amongst internal and external customers
- Adopting global presence with local relevance

Global Foot Prints

GLOBAL MARKET PRESENCE

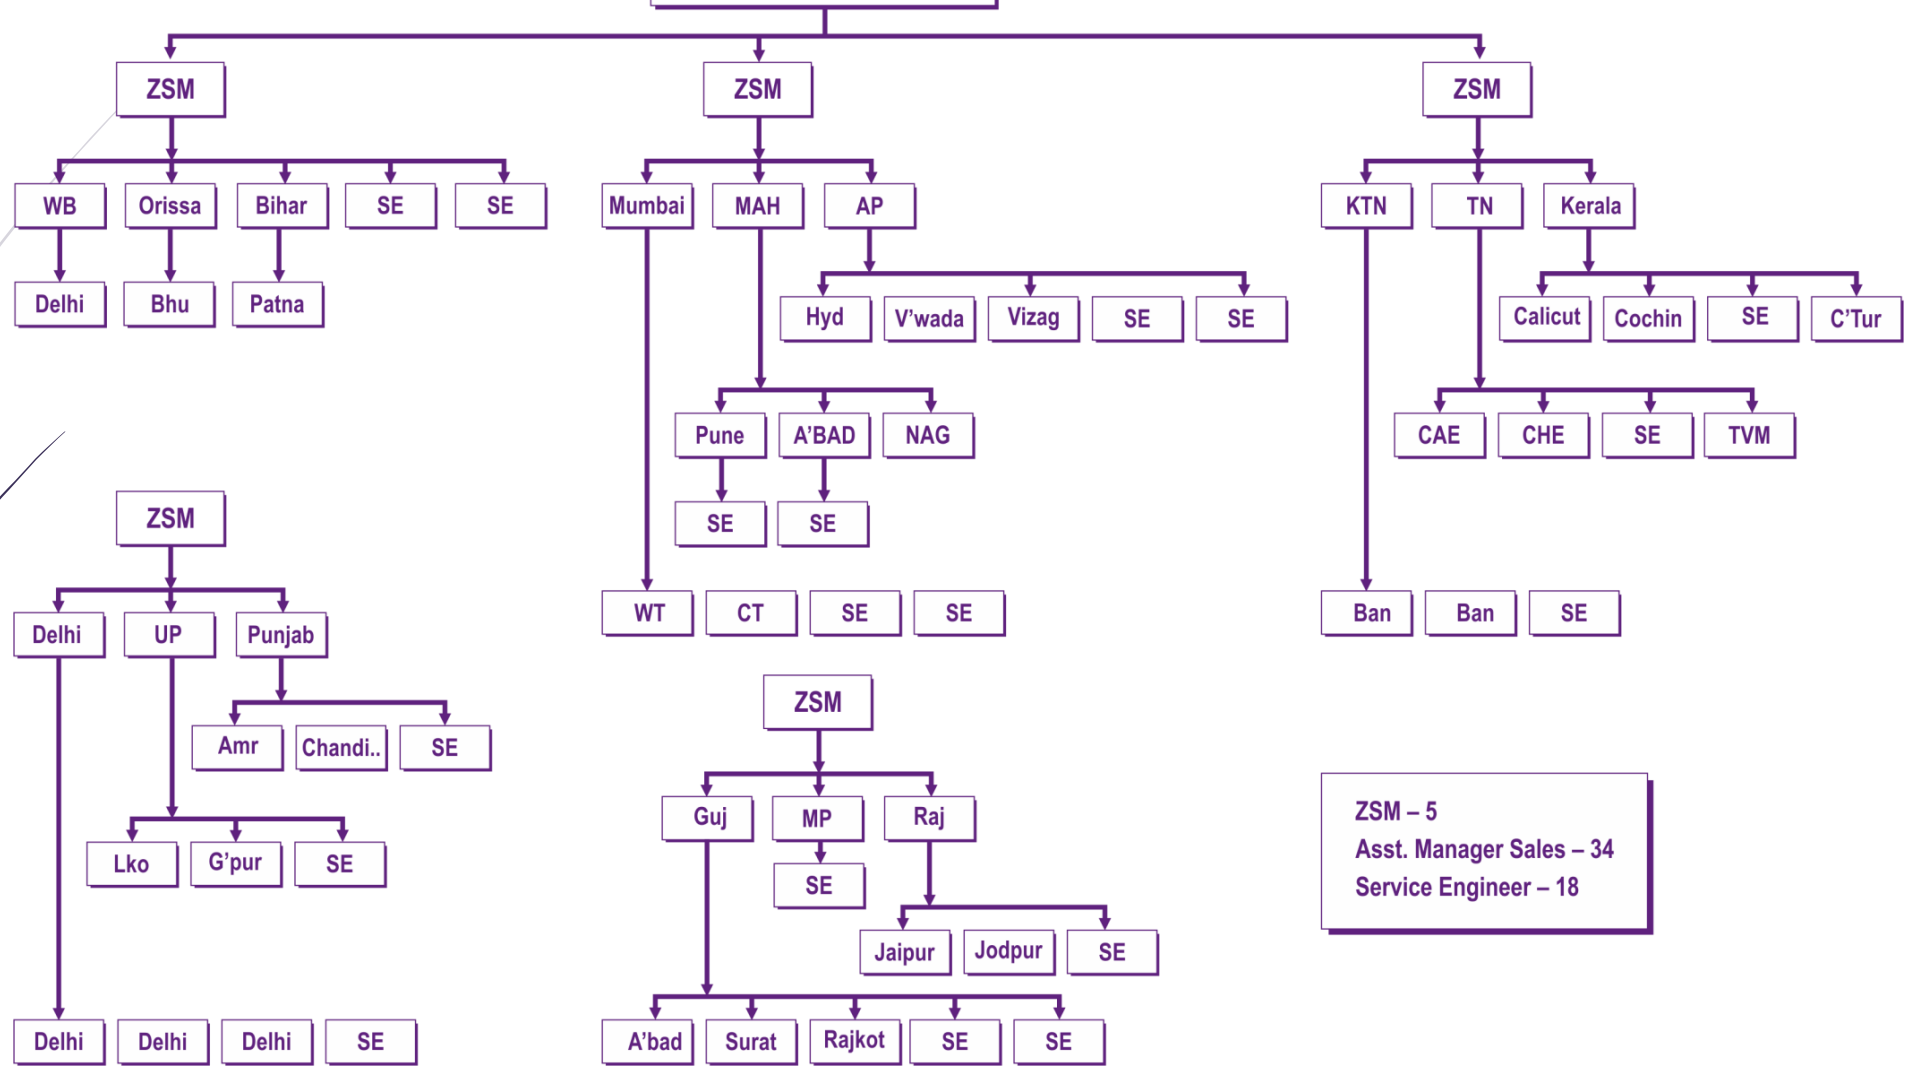

- Current business in > 37 countries.
- Ongoing registration at Egypt, Iran, Thailand, Mexico, Brazil & Argentina

Office: We have a team of marketing and sales for international business.

VICE PRESIDENT SALES

ZSM – 5

Asst. Manager Sales – 34

Service Engineer – 18

OEM Service

We do undertake manufacturing of our products, for couple of world renowned IVD players on OEM and we can offer our rapid tests:

- In dipstick format or device format.
- In whatever specifications required.
- Device format, can be under our standard cassette, or as per requirement.
- Device format, can be under your desired design.
- Size of standard cassette can be work out as per requirement.
- We can offer our product in your desired printed pouch & box designs.
- Standard pouch are available.
- We specialise in customized development as per your requirement.
- We go an extra mile to accommodate our customer's needs.

LH Ovulation Test

Rapid card test for qualitative detection of Luteinizing Hormone in female Urine.

Product Features

Simple to use test.

Small volume of urine sample.

Test results in just 5 minutes.

Easy interpretation of results.

Room temperature stable.

Performance Highlights

Long shelf life.

High specificity. No cross reactivity.

High Sensitivity of 25mIU/ml.

Build in procedural control.

No impact of FSH & TSH.

LH Ovulation Test

VOXpress®
MumToBe®

Rapid card test for qualitative detection of Luteinizing Hormone in female urine.

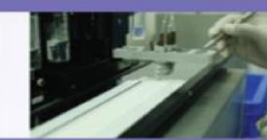

Detection of LH (Leuteinizing Hormone) in human urine

PEOPLE POWER

Voxtur Bio is fuelled with young, professional and self-motivated dynamic team. We are constantly striving to scale new heights in professional competencies and efficiencies by pushing performance and human potential to new limits. One may experience this facet not only in the decision-making process at our company, but also in a wide range of other activities which create value for our customers and business partners. Using our intellectual and managerial prowess and harnessing the benefits of state-of-the-art technology, we are all set to venture into the next level of laboratory development around the world.
